

Product Recommendation

Travelers, more than ever, need a good travel insurance plan when they travel. I've also heard that subscribers and readers of **Leisure Group Travel** magazine and **InSite e-Newsletter** would like access to a net rate insurance plan they can offer travelers -- just like the net rate plans used by the "big boys": tour operators and cruise lines. Net rate plans let travel sellers earn whatever they wish on insurance bookings! [Learn more](#)

We listened!. We put that travel insurance product together for YOU! You've now got the travel insurance product you've been asking for! **Our Travel Protector!** There's a net rate which you can mark up to determine your profit.

[Read the interview with John Martinen](#) on how **Our Travel Protector** differs from 'other' travel insurance

It's a travel insurance product that's every bit as good as any other plan on the market in terms of benefits and profit potential! And its flexibility and convenience is unmatched. You can easily make a test booking. After the test, make a real booking. If you do a real booking by December 31, 2009 you'll receive a bonus that pays you to find out how easy it is to book this unique travel insurance!

Premier Tourism Marketing, the publisher of **InSite e-Newsletter**, is licensed to offer this travel insurance plan and all subscribers to the **InSite e-Newsletter** can use the plan for their travelers. This plan is unique -- it is not available anywhere else. Obviously, all of us here at **InSite e-Newsletter** strongly believe in this plan!

I encourage you to visit www.OurTravelProtector.com and read "**Our Travel Protector** Gives you a Net Rate". The article tells you all about the plan. Then ...get your user ID and password; and you'll be able to make your test booking. Follow through with a real booking. And you'll be paid a bonus if you do that by December 31, 2009!
